By GEO. W. LEMONS.

News of Petersburg

Times-Dispatch Bureau,
189 North Sycamore Street,
Petersburg, Va., March 27.
Dr. J. Edward Moyer, long the head of the well-known insurance firm of J. E. Moyer & Co., and honored and esteemed in the community, died shortly before midnight last night at his residence, on Friend Street. He had been in failing health for many months, in consequence of which he had retired from active business. Dr. Moyer was born in Sussex county August 28, 1841, and was in the sixty-eighth year of his age. He was the son of John Quision Moyer and Mary Thomas Vaughan, and his earliest education was in the county schools of Sussex. In 1855-56 he attended the preparatory school of Colonel William S. Kemper at Gordonsville, and the year following the preparatory school at Greenwood, Albemarle county, kept by Rev. William Dinwiddie. In 1859 he read medicine under Dr. William Briggs, of Sussex, and in 1860-61 he attended the medical course at the University of Virginia. Immediately after the accession of Virginia, the service of the company of which he was a member at the university was tendered to and accepted by the Governor, and was ordered to Harper's Ferry. In ten days the company was ordered back to the university. Before the close of the session he left the university and enrolled in the Sussex Cavalry, which company was assigned to the Thirtieth Virginia Cavalry. He remained with the regiment until 1862, when he was detailed and ordered to Richmond as resident student in the Medical College Hospital. He was graduated from this college in 1864, commissioned as assistant surgeon in the Confederate States Navy and assigned to duty aboard the flagship Virginia of the James River Squadron. When Richmond was evacuated the squadron endeavored to join General Johnston in North Carolina, and had reached Greensboro, where they surrendered. After the war, Dr. Moyer returned to Sussex and practiced his profession until 1872, when he came to Petersburg and engaged in the insurance and real estate business, which he conducted until about eighteen months ago, retiring on account of failing health. In 1866 Dr. Moyer married Miss Mattie A. Owen, in Sussex county, who survives him, with five children—J. Edward Moyer, of Roanoke; John and Harry Lee Moyer, of Petersburg; Mrs. John Gordon Scott, of South Carolina, and Mrs. Walter Raymond Carpenter, of Hyattsville, Md. Dr. Moyer was a man of high character, long a vestryman and active worker in Grace Episcopal Church, and devoted to Christian work. The funeral will take place Sunday afternoon at 4 o'clock from Grace Church. A. P. Hill Camp, of which he was a member, will attend in a body to pay respect to his memory and give the body military burial.

News in General.

L. C. Stafford, who, as stated in the Times-Dispatch, was arrested yesterday afternoon at Stony Creek on the charge of operating a distillery without having given bond for the same, will have a hearing at 1 o'clock P. M. on Monday before United States Commissioner Bartlett Rogers. In this city, he is under bond of \$1,000 for his appearance. The distillery in question is about two miles from Stony Creek, and near a state mill owned by the distiller. It is thought the alleged violation will prove more of a technical character than of illegal intent.

Charles M. Laffoon, fifty-three years old, an employee of the city, died yesterday afternoon at his home on Terrence Avenue. He was a native of Lunenburg county, but had lived here for many years. His wife survives him.

members of the new association. The meeting was an exceedingly pleasant, not to say enthusiastic, one. Dr. E. R. Talley, chairman of the committee, presented to the board the pledged lists, covering over six hundred names, which were received with expressions of gratification, and the promise that the board would carry out its pledge of co-operation in raising funds to build an up-to-date home for the association.

The Petersburg Grays will be inspected in their armory on Monday night by an army officer, and it is expected that the occasion will attract many persons of both sexes, special invitations having been sent out.

The sales of loose tobacco this week, as reported by Supervisor J. B. McCulloch, were 49,945 pounds. Total for the month, 598,925 pounds, and for the season, 5,492,550 pounds.

Stranger Found Dead.

The body of an unknown white man was found last evening floating in the diversion channel in Chesterfield county, some distance below the city. It was in such a bad state of decomposition that it could not well be handled, showing that it had evidently been in the water a long time. There was nothing about the clothing by which the man could be identified, and as no one had been missing in this city or vicinity, the deceased was probably a stranger. One of his arms was broken and almost severed, and there were evidences of an ugly wound on the back of the head. These injuries at first led to the suspicion that the man might have met with foul play. Another suggestion is that he may have been struck by a train on the bridge in Chesterfield and knocked into the channel. But no such accident has been reported. The body was taken in charge by the Chesterfield authorities and an inquest held by Justice John N. Dunston and a jury. Nothing could be learned, however, as to the identity of the man or the manner of his death.

It is said that after April 1 the Chamber of Commerce will dispense with the office of traffic manager. Mr. J. C. Harrison, aged twenty-nine years, died about midnight last night at her home, on Taylor Street, Blandford. She is survived by her husband and an infant child.

HARD-FOUGHT PRIMARY.

Postmaster Dorsett Wins Nomination for Mayor of Spencer.

[Special to The Times-Dispatch.]

SPENCER, N. C., March 27.—A hard-fought municipal primary closed at midnight last night when J. D. Dorsett, postmaster here, was nominated for Mayor of Spencer, with a total vote of 151, against A. D. Smith, a locomotive engineer, with 151, and C. H. Vin Canon, chief accountant for the Southern Railway Company here, receiving 31 votes. Out of eighteen candidates for six places on the Board of Aldermen, the following were nominated: J. C. Bell, T. J. Robinson, Southern Railway conductors; D. B. Greenhill and J. S. Eagle, locomotive engineers; J. W. White, machinist, and H. M. Cooke, druggist.

The primary was held under independent rule, eliminating politics, and four of the candidates chosen for Aldermen are Democrats and two Republicans, while the nominee for Mayor is a Republican leader.

The battle of the polls was perhaps the hardest of any in the history of Spencer, the vote being one of the heaviest ever polled here.

Neatness and good feeling prevailed throughout the campaign. It is generally conceded that the nomination is equivalent to a victory in the general election in May.

CAMP INSTITUTED.

Patriotic Sons of America Establish Two New Branches.

[Special to The Times-Dispatch.]

HIGHLAND SPRINGS, Va., March 27.—A camp of the Patriotic Sons of America, a new fraternal organization, was organized here yesterday by J. S. Burke, past president of Washington Camp, No. 61, moving

Smith, of Sanford; J. B. Mason, of Durham; Allen J. Ruffin, of Hillsboro; B. C. Duncan, W. H. Williamson, W. G. Uley, James R. Young, J. G. Ball, Alexander Webb, James R. Rogers, George P. Folk, A. W. Goodwin, David Kloss, Willie J. Briggs and Charles B. Aycock, of Raleigh. Attorneys: Aycock and Winston. The Carolina Trust Company went out of business this evening.

HELD FOR MURDER.

Coroner's Jury Finds Bennett Boykin Guilty of Killing.

[Special to The Times-Dispatch.]

WILSON, N. C., March 27.—The coroner's jury to-day found that "Bug" Williams came to death by a gunshot wound inflicted by Bennett Boykin.

Last week at Neverson this county, "Bug" Williams, son of Neverson Williams, a prominent farmer, was shot in the forehead by his brother-in-law, Bennett Boykin, the pistol ball penetrating the brain and lodging in the back of the head.

Young Williams, however, lived until last night.

Whiskey and an old quarrel caused the deed. The funeral was held this afternoon, and was attended by more people than any country funeral ever before in this county. Boykin is in jail.

Mark Twain Coming.

[Special to The Times-Dispatch.]

NORFOLK, Va., March 27.—Mark Twain, Incorporated, is coming. Until this morning, when Raymond DuPuy, vice-president and general manager of the Virginian Railway Company, returned from New York, where he has

been for almost a week, it was not definitely known that Mr. Clemens would be here on April 2 to attend the ceremonies incident to the completion of the big new road.

Mr. DuPuy, however, brought word down from Mr. Rogers that Mark is well and has promised to be here, the dangers of navigation, wind and water and other, permitting.

Mr. Twain-Clemens is scheduled to attend the dinner given to Mr. Rogers on the evening of April 3, the day following their arrival at Norfolk.

PRIMARY DATE FIXED.

Important Positions to Be Filled in Norfolk.

[Special to The Times-Dispatch.]

NORFOLK, Va., March 27.—Dr. E. S. Schenck, chairman of the City Democratic Executive Committee, announces to-day that the city primary for the election of two members of the Board of Control and Aldermen and Councilmen from each ward, will be held on May 3, the last day on which poll taxes can be paid for the regular election.

The most important elections of the primary will be for the positions of city treasurer, sergeant, collector, Commonwealth's Attorney, and promises to be enlivened by the injection of prohibition later on.

Brooks—Trant.

Mr. and Mrs. C. B. Trant announce the coming marriage of their daughter, Florence Adele, to Saunders McRae Brooks. The wedding will take place at Leigh Street Baptist Church April 12, 7 P. M.
